

GUESS WHAT!

Can You "Guess What" the Object Is? A Fast-Paced Object Building Game for Kids and Adults Alike!

Can you "guess what" the object is? One person chooses a card and builds an object using only geometric shapes. Other players compete against the timer and each other to guess what the object is! The entire family will enjoy racing to "Guess What" as a builder tests his creativity, proficiency and speed while constructing an object using *EduStic geometric shapes**. Players will develop patience, perseverance and shape recognition skills while shouting out their guesses. Everyone will increase math confidence, geometric aptitude, and critical thinking ability during successive rounds of play.

Ages 5 and up | 3 or more players

**EduStic's unique material sticks to any glossy surface, including windows, refrigerators, white boards, tile and laminated paper. This allows for game play in unlimited locations!*
