

PATTERN SMART

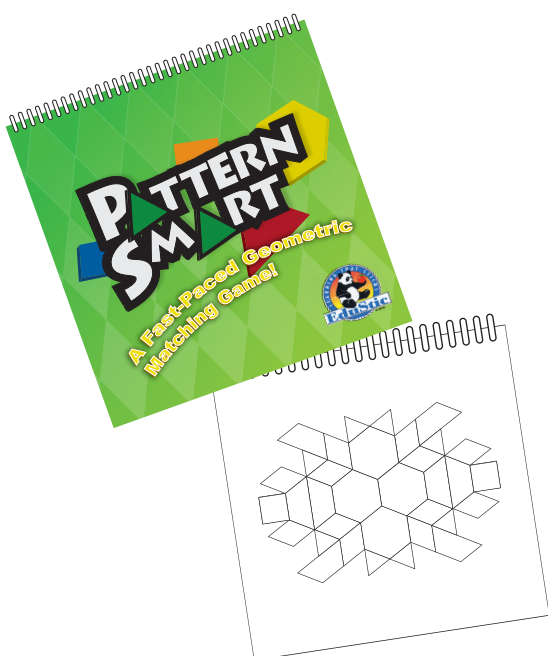

Are You "Pattern Smart?"

A Fast-Paced Pattern Recognition Game for Kids and Adults Alike!

Are you "pattern smart"? Players race against each other to recreate a pattern from a flipchart. The first player to finish yells "Pattern Smart!" Other players check for accuracy and completeness. The entire family will enjoy racing to Pattern Smart as they improve shape recognition and pattern building skills while using *EduStic pattern tiles**. As players advance from basic to intermediate to advanced levels on the flipchart, they will increase math confidence, geometric aptitude, and critical thinking ability.

Ages 5 and up | 1 to 3 players

** EduStic's unique material sticks to any glossy surface, including windows, refrigerators, white boards, tile, and laminated paper. This allows for game play in unlimited locations!*
